Bury Hit-Run Victim; 2 Drivers Sought

Twilight Accident

Fatal; Man Struck Crossing Michigan St.

A 60-year-old pedestrian was killed at twilight last Sunday, and today police from the Accident Prevention Bureau are investigating to determine which of two cars that struck John Pierson, 842 W. Vermont st., is responsible for his death. Pierson was crossing the street in the 800 block W. Michigan when one allegedly struck him and knocked him into the path of another car the drivers of both vehicles continuing. Witnesses said that the driver of one car was a white woman who had other passengers with her. They said that the first three numbers on his license were 691.

No description of the car or other driver was given.

Pierson's body was sent to the City morgue by deputy coroner, Dr. Norman R. Boucher, where it was later identified by his daughter,

Mrs. Beatrice Webb, with whom he lived.

Recorder reporters received information that Pierson was believed to have been drinking and was on his knees crawling when struck. An empty whiskey bottle was found in his pocket. Police are pondering whether he was struck and killed or simply run over while crossing the street in that fashion.

The death of Pierson brought to six the number of traffic fatalities this month in Indianapolis. All persons killed were pedestrians, were all over 50 years old. They ranged from 57 to 79 years old. Funeral services for the deceased were conducted from the Royster and Askins funeral home Tuesday morning with burial at New Crown cemetery.

He is survived by the daughter.

Douglas Casino in Readiness for Recorder Newsies' Xmas Party

W. P. Fuller, president of the Douglas Casino, Inc., announced this week the spacious skating rink will be in readiness, December 24 at 10 a.m., for the gigantic Xmas party of the Indianapolis Recorder's Newsies and their friends. Approximately 500 youngsters are expected to attend. Miss Betty Fields, secretary to the president of the Casino, will be in charge of the party with the assistance of Edward C. Bailey, circulation manager of The Recorder.

The party has been made possible through the kindness of Mr. Fuller, Capt. Ed. Helm of the Indianapolis Police Department, who so graciously has given oranges for the youngsters, Emory Sporting Goods Co., Sportsman's Store, Inc., Bush-Feagle Sporting Goods Co., Hoffman Sporting Goods Co. They have donated prizes consisting of skates, sport sweaters, sport socks and skating emblems along with The Indianapolis Recorder. This promises to be a grand occasion for the youngsters.

A program made up for the affair will consist of skating contests; in which the little pals will compete for the prizes, and a general session of skating with the accompaniment of a band which will play for their amusement. The party will last for several hours and at the close oranges and candy will be passed out to the youngsters. Mr. Bailey urges the parents of those Newsies and their friends who receive invitations to have them at the Casino, 25th and Ralston 10 a. m., sharp in order that they will not miss any of the fun.

PWA PLANS BIG NEGRO SLUM CLEANUP FOR CIN.

CINCINNATI, Dec. 23 (ANP)—The sum of three million dollars which makes possible construction of a low-cost housing project here for Negroes in the West End, has been allocated by the U. S. Housing Authority, it was learned last week. Nathan Straus, national housing administrator said this amount would bring to 13 and a half million dollars, the total Federal commitment for Cincinnati.

Hart Given Stiff Term; To Appeal

James D. Hart, 39 years old, 510 Bright st., who charged that detective sergeant Arch Bell beat and manhandled him after he accidentally bumped his squad car, was fined \$15 and costs for speeding; \$25 and cost and 90 days for reckless driving, and \$25 and cost and 120 days for resisting arrest, by Judge pro-tem Floyd Burns last week. Hart was represented by Attorney Henry J. Richardson, Jr., NAACP Council, who declared:

"The legal question involved in this case is: whether or not the arrest was illegal, and the citizen apprehended and restrained unlawfully. To test this point necessitates an appeal. It is up to the N. A. A. C. P. to make the decision.

"From evidence we have, we are definitely convinced that the arrest was illegal. The evidence in hand relative to the viciousness and brutality of the

arresting officer, should be presented to the grand jury, as the finding of the court set a dangerous precedent of justification regardless of the circumstances, opening the way for vicious and prejudiced policemen to use undue force and personal vengeance at will in apprehending a citizen.

"The prosecution injected the racial issue, which was elaborated upon by the court, which prejudices the defendants rights. We have unimpeachable evidence of statements made by the arresting officer relative to the race of the defendant. We did not introduce this evidence at the trial as it is the policy of this office never to inject race issues in a law suit, as one citizen's rights are the same as another's regardless of his race, color, or religion."

Bill 'Bojangles' Robinson Danced His Way Into the Hearts of Naptowners at Mammoth Show

Bill (Bojangles) Robinson, world's greatest tap dancer, member of the Screen Actors' Guild and of The Negro Actors' Guild, screen and movie star, had a busy day in Naptown last Sunday when he appeared on the Indianapolis Negro Press Club's benefit dance in Tomlinson Hall. Mr. Robinson was met in Union Station by a delegation headed by Sen. H. Ferguson, mayor of Bronzeville, Marcus C. Stewart, editor of The Indianapolis Recorder, Dr. Guy L. Grant and Attorney Frank R. Beckwith. Chief of Police Michael F. Morrissey, a personal friend of the veteran entertainer for years, was there waiting long before the delegation arrived with a police escort and helped Bill off the train.

Following a few introductions, Mr. Robinson was greeted by Geo. Graham, Harry Lee, Earl Clemmons, Rubie Shelton, George Smith and a bevy of beautiful young ladies. Robinson posed for pictures with Chief Morrissey, and other members of the delegation. A special police escort hurried him off to the Colored Orphans' Home, where the children had been assembled in the auditorium to see the great dancer in action. Mr. Robinson was visibly touched by the welcome accorded him, and really "went to town" for the kids. He also expressed a desire that all of them should see the big show in Tomlinson Hall, after giving them a unique interpretation of the popular song-hit, "A Tisket, A Tasket." The party then proceeded to the home of Mayor Sea H. Ferguson, where he enjoyed a hearty and sumptuous turkey dinner with all the trimmings.

Big Ovation.

A near-capacity crowd was on hand in Tomlinson Hall when he arrived. Several "swing" bands and entertainers had kept the crowd in good spirits during the passing hours. The five-hour program was well underway when David Mitchell, master of ceremonies, announced the presence of Mr. Robinson. Dressed in a nifty-fitting tuxedo, special wooden-soled shoes, walking cane, and accompanied by his piano player, "Putney" Dandridge, he was ready for his act. Opal Tandy introduced Mayor Ferguson, who in turn introduced "Bojangles." Thunderous applause greeted the tap artist. The 42-year-old "hooper" initiated a prize-fighter, handled the cane as a trombone, mimicked a flapper, and the latest in fancy ice-skating. His artistic dancing brought the house down with applause. Before leaving for New York he made a promise to Mr. Stewart "to come running if you ever need me."

Spicy Bill.

More than twenty local performers and six "swing" bands appeared on the spiky program. A special jitterbug contest topped the bill. Cash prizes were awarded the winners. Indianapolis citizens eagerly await the return of the "Price of Good Fellows" to Naptown. The Indianapolis Press Club, sponsor of the show, takes this means to express its appreciation for the wonderful cooperation received from the general public, performers, musicians, businessmen and women, and every individual who helped to make the benefit a huge success.

Indianapolis Citizens Greet "Bojangles" at Station

A large delegation of citizens was on hand, Sunday, in Union Station when the 1:30 Monon pulled in with the great Bill (Bojangles) Robinson, world's greatest tap dancer, and "Putney" Dandridge, Bo's pianist, aboard. The pair came to Indianapolis to appear on the Press Club's charity show held in Tomlinson Hall. Pictured above, from left to right, are: Opal Tandy, staff reporter, interviewing Chief of Police Michael F. Morrissey, who was on hand early to greet Mr. Robinson; George Graham, proprietor of the Oriental Cafe; Bill Robinson, Arlene Jones, Mayor Sea H. Ferguson, and Ada Hudson. Directly behind Mrs. Hudson is Harry Lee. Members of the delegation not shown in the picture are Dr. Guy L. Grant, Atty. Frank R. Beckwith, Marcus C. MARION, O., Dec. 23. (ANP)—Raymond Locke, 16, who aspires to be a dining car chef, is the only boy enrolled in a cooking class of 23 girls at Central Junior high school. The deaths of his mother and older sister made it necessary for Raymond to cook for his father and nine brothers and sisters.

LYNCH BILL TO FACE SENATE AGAIN, VANNUYS

WASHINGTON, D. C., Dec. 23.—Repeating a promise made during the recent campaign, to the effect that if re-elected he would re-introduce the Anti-Lynching bill, Senator Frederick VanNuy, Democratic Senator from Indiana, declared here, Tuesday, that this much debated piece of legislation would face the seventy-sixth congress.

"I noticed that there have been several lynchings during the last year," VanNuy, co-author of the bill with Senator Robert Wagner, Democrat of New York, said. "The senate always has favored the bill but has been denied a vote by the filibuster." A filibuster by southern senators defeated the bill during the last session.

The VanNuy-Wagner bill would require counties in which the lynching occurs to pay \$10,000 to the widow or family of the victim, if officers were unable to prove they were diligent in protecting the prisoner.

Police are seeking Jerry Hicks, her common-law husband, to question him in regards to the theft.

Ohioans Tell Race Progress

CINCINNATI, Dec. 23. (ANP)—As the concluding feature of an all-day session held under auspices of the Woman's City Club and cooperating agencies, a public meeting was held Wednesday night in the Enquirer auditorium sponsored by the Race Relations Institute. General theme of the night meeting was "The Challenge of the New Negro" and speakers included: Rev. C. Baker Pearle, president local branch NAACP; Rev. G. Barrett Rich, pastor Avondale Presbyterian church; Marcus Rambo, principal Douglass School and Rev. Joseph Fletcher, director Graduate School of Applied Religion. Rev. Howard Melish, assistant rector of Christ Episcopal church, introduced the speakers who cited the contributions, both cultural and economic made by Negroes.

At the morning session the subject "Problems of Negro Women" was discussed and "The Negro in Industry" was the afternoon topic. Both meetings were held in the Woman's City Club headquarters.

The More You Give The Less Suffering, Xmas Disappointment

With the deadline just a few hours away, the Good Fellows are in great need of a gigantic last minute drive to put the Cheer fund over the top. Success or failure of this drive means the difference between happiness—or the greatest tragedy that a child can know—the failure of Santa Claus to remember that child's chimney.

Genuine happiness can be found in work and unselfish giving, and both are badly needed at this time to hold the Good Fellows Cheer fund weather one of the worst storms it has faced in years. Every individual, every club, every possible source of aid must be employed in this great fight against the enemies of the poor at Christmas time. Surely this one day in the year, all likes and dislikes, differences and preferences can be laid aside and all work in the common interest of happiness for those who are not quite so fortunate as we.

Unless many others join the drive, there will be great disappointment to youngsters Christmas. And we can not let that happen. Owners and managers of the Douglas, Regal, and Indiana theatres are giving special benefit shows charging tins of food and in some cases five cents admission. Proceeds from these special shows will be given to the Good Fellows for the Cheer fund.

Following are some of the hundreds of appeals. Read one and determine that you personally will do what you can to brighten the holidays for some unfortunate child or person.

Dear Goodfellows: I wonder if you would send old Saint Nick around—I'm a very good girl and I play on play grounds. We haven't a mother; she died this past June. My father hasn't worked since May. So you can guess what kind of Christmas we'll have. If we can't get any toys some candles will do. Please don't forget us what ever you do. Just give us anything you choose. Thanks. (Three little girls, ages 5, 9, and 12 are the writers.)

Dear Good Fellows: I have a husband who is sick and crippled he has been that way for almost two years. I have been unable to find any work. But we receive relief from the trustee. We have 2 children (girls) one is two and the other one is four years. I haven't any money to buy toys for the girls. Please help us. I am asking for toys for the children and food for a nice dinner, Christmas. Thanking you in advance as I am thankful for anything you will give me. Very truly yours.

Dear Santa Fund, We are two little girls Barbara age 8 and Sara age 11, our mother is not working so before we hope that you will please send us something for Xmas. We will appreciate anything you can send us our mother is ill so we would like to have some fruit if possible. We are depending on you to make us happy. Truly yours.

Merry Christmas To You and Yours.

East Is West

(By JOYCE VENERABLE)

A couple of months ago, we gave John "Foozy" Wilson the key to the shack in the woods where all unhipped katz go. He has not yet returned it, so the chances are that he is still in the shack, and perhaps reading a book of Hints To Unhipped Kats. Instead of writing our letter to Santa Claus, let's write it to poor little isolated Foozy, and tell him what's going on:

Dear Mr. Wilson:

Our sympathy is with you, because of the fact that you

have been the holder of the "key to the shack" for almost three months, and up to now, no one has performed an act capable of winning it from you. I am sure that you will be overjoyed upon hearing this bit of news from home, so in my most humble manner, I'll try to dispatch it to you. First of all—your dear old High school is sponsoring a Popularity Contest, and the Eastsiders are so sure that either Otis Barnett,

Margret Sarver, Donald Anderson, or Ophelia White, is going to win it, that they aren't even worried. In this case stiff competition take for instance, Rosa Browder, Jack Bridges, Gladys Bates, Ned Bess, Miriam Boothe, Mary Jewell, Dorothy Hooks, Robert Ferguson, Lillian Smith, and Mary Campbell.

Everytime that you see Professor Otis Barnett these days, he has his little blue note book out, checking up on his campaigners. Commanding Major Donald Anderson has the entire army of R. O. T. C.'s behind him, so he hasn't much to worry about. Margret Sarver has her great host of friends campaigning for her, and by the time that all of those Sixteen Street Kats get through chipping in, the odd's victory should be very high.

For a long long time, everyone has been wondering who the handsome young gentleman is that has Virginia Cockrell carving hearts with arrows shooting through them, all over the furniture.

Upon thorough investigation, we found that his name is Garewood Moss, and from the looks of things, I don't blame Virginia from carving love hearts all over creation. There's only one thing which has me stumped now, and that is—who is the fellow called Mickey Mouse that Bernice Rowley is hog wild and pig crazy over.

William Earl Helms, the Douglas Casino Skating Instructor seems to be getting very popular here of late, as a matter of fact, several friendships (among girls) have been broken on his account. You'd better start taking it easy now, or Santa Claus won't bring you anything for Christmas, not even O. P. or Anna M. B.

There's a certain dude whom Frances S., George B. and Clotilda J. meet at the Danbar Branch Library. Frances, how-

ever, denies that fact; she says, "I merely cut over to the library to get my school lessons such as Early European History etc." I see no reason why she should bring her books fourteen or fifteen blocks away from her home, fire, just to see what the early Europeans did in their days, do you? Gladys Cook said that John M. was the only school lesson that Frances studied, and I personally, have been acquainted with John long enough to know that he isn't one of those early European katz who go around putting coats in mud puddles so that the fair ladies' tiny feet won't get wet. No Frances, John is very much modern, and you're not going to find a modern American who is nuttie enough to take off a thirty-five or forty dollar overcoat, and lay it in the mud, just to keep a girl from getting her shoes wet. You'd better "get" with that lesson "jibe," and bring up something more believable.

The Honorable Ulysses Henderson of Gary, Ind., corresponds quite frequently with Princess Cleola "Butterball" Smith, another prospect winner of the Commercial Department's Popularity Contest, and an old flame of the Professor Roy Smith.

Everyone is wondering what became of Harold Mc., the ex-ninth hour typer who had the remarkable record of typing over two and a half words per square minute.

Ester Russell is very happy to see J. E. Kelso and J. Sneed together.

Here's a bit of news from the Club of Secrets, composed of a group of West Side boys and girls. William G., is seen quite often at the home of Edith C. You're sorta cutting Charles F., completely out of the picture, aren't you Will? Asante as L. W. is, they don't see why she wasted her time on J. B. and W. H., when she has a kat from Chi., rushing her. Mildred G., is said to be between the devil and the deep blue sea. Yes, you guessed it, there are two boys involved, Albert B. and D. Jones.

We don't have much news about Jack Durham, and Melvin "Fog Papp" Berry these days, we must scout around, and see what the boys are doing.

Guess who is cutting out from the rest of the herd kids, guess who is pulling on the heart strings of the young girls (especially Lucille Primm), and guess who is going to be the first to set foot in Twenty-fifth streets new park theatre.—No one but Robert Smith. Yes, the "little" Robert Smith who is one of the ninth hour third trolley's "biggest" passengers.

Now for a little news from Haughville. The Haughvillians boast of having a solid dancing genius by the name of John S. A girl whose initials are G. J., said that he is genius in more ways than dancing. Explain yourself G. J.

Willie M. H., of the dear old East End told Robert "Boots" R. that he simply couldn't be hers and some one else's too. Robert didn't believe her, so to prove her statement, she is now knocking around with Oddie Hibbett. I think that I will make my exit here, but before I go Foozy, I wish to remind you that you are still the possessor of the key to the "shack." I may be a bit early kids, but I do want to be among the first to wish you the "Happiest Christmas in the whole world," and I do mean it from my heart.

So long, Everybody!

MO. UNIVERSITY GRADUATE LAUDS GAINES DECISION
NE WYOM, Dec. 23.—At least one graduate of the University of Missouri is happy over the Supreme Court decision, ordering the state university to open its doors to Negro citizens for professional training.

The graduate is George Hamilton Combs, Jr., white liberal lawyer and news commentator who broadcasts every evening over radio station WHN here.

In his broadcast, December 12, Combs termed the decision one of the "milestones witnessing the progress of the Negro race." "Your reporter," he added, "has only this to say—that as an alumnus of the University of Missouri and of that law school, this is one decision of the Supreme Court which he heartily applauds—It is democracy at work!"

The SEASON'S GREETINGS from--- Standard Burial Association Offers You More for Your Money

Growth and Accomplishments

In the year 1934, Nov. 12, when we took over the management of The Standard Burial Association these were some of our objectives:

To develop an organization that would meet the conditions confronting the greatest number of people possible, especially the unfortunate. To give them a perfectly sound and legitimate policy. Our purpose was and is to give the people and their families full protection for their burial expenses. Our purpose and desire is to prevent the sad and unpleasant embarrassment that too often confronts poor, yet respectable families. That is to prevent their having to be cared for by relatives or by the city or county.

We Propose to Climb by Industry—Thrift—and Honesty

In the operation and maintenance of a business of any kind one must take under consideration the fact of mutual helpfulness and fraternal cooperation. The effort to be of the greatest possible concern to the greatest possible number, must never be overlooked.

WHY YOU SHOULD JOIN

It is an Association for the people and by the people. We have the money and the ability. We pay larger benefits than any other company or concern of its kind for the amount of premium. We create employment for Negro boys and girls. We pay claims promptly before burial, or the day proof is filed in the office.

WE ARE TRAVELING BY LEAPS AND BOUNDS. GOOD AGENTS WANTED. LIBERAL COMMISSIONS. LIVE WIRES NEEDED. THE CONTRACT IS AN EASY SELLER. FOR FURTHER INFORMATION WRITE OR CALL

OUR RECORD SPEAKS FOR US

We have written upwards of 6,000 policies. We have collected on premiums \$10,254.75. We have been able to pay in death claims \$4,361.25. We have paid agents for salary \$3,717.46. Total amount paid in death claims and agents salaries \$8,078.71.

Mitchell Presses Railroad Jim Crow Case

To File Petition Asking Rehearing; Promises Finish Fight

CONGRESSMAN MITCHELL CONTINUES FIGHT IN ROCK ISLAND JIM CROW CASE.

CHICAGO, Dec. 23. (ANP) Suing the action to the word, Congressman Arthur W. Mitchell of Chicago's First district, this week made another, well-planned move in his Jim Crow suit against the Rock Island railroad, decisions in which have twice been adverse to the Illinois solon.

The congressman filed notice with the Interstate Commerce Commission that he will have his attorney, Richard E. Westbrook of Chicago, file a petition for rehearing and re-argument of the recent report of the commission, which held that the Rock Island did not discriminate unjustly when Rep. Mitchell was compelled to accept second-class accommodations, although he had paid for a first class ticket.

The notice that this petition is being filed before the matter will be taken into the federal courts. Congressman Mitchell has instructed Attorney Westbrook to fight in the Jim Crow case, labeled this case, if necessary, to the United States supreme court.

Should the ICC deny the application for a rehearing, next move will be to take the famous case before the U. S. District court at Chicago (home office of the Rock Island railroad) on a petition for rehearing of the suit. Adjudication in federal district court will be in the hands of three federal district judges, sitting en banc.

Should the district court deny the petition, thereby upholding the Interstate Commerce commission ruling, Atty. Westbrook can take the Mitchell case, on direct appeal, to the United States Supreme court.

Basis of the discrimination case is an incident which happened in April, 1937 when Representative Mitchell, sole colored member of the United States law-making body, was traveling over the Rock Island, en route from Chicago to Hot Springs, Ark. Although a representative of the U. S. Government and carrying a first-class ticket, Mitchell was forced to leave the Pullman car at Memphis and ride in the Jim Crow coach, labeled "For Negro Passengers Only."

BLUE KEY FRATERNITY HONORS FRITZ POLLARD, Jr.

GRAND FORKS, N. D., Dec. 23 (ANP)—Glory and glamour still tend to be heaped upon Fritz Pollard, Jr., the University of North Dakota's great football back and ball carrier. Last week for the first time a Negro, Pollard, was declared a member of the National Blue Key Honor fraternity by the local chapter at North Dakota.

Membership in this fraternity is based upon general and high scholastic aptitude.

Pollard, beside being a Blue Key man, was also elected by the university to represent it in "Who's Who", the annual publication which lists the nation's most prominent college students. Last but not least, Pollard received honorabel All-American and All-North Central conference mention for the third consecutive year.

WPA Open Hospital For Colored at Tampa

TAMPA, Fla., Dec. 23.—Hailed by an editorial in The Tampa Daily Times as "one of the most significant public welfare events to take place in this city in a long time," the opening of the new \$117,404 Clara Frye Tampa Municipal hospital for Negroes becomes another valuable civic investment made by the Works Progress Administration in its drive to improve community health standards.

The hospital built in Roberts Park on the Hillsboro River at the foot of Union st., replaces the congested and dilapidated quarters of the present Lamar Street Hospital. With its equipment furnished partly by the city and partly through private donations, the new structure takes care of the hospitalization needs of a large portion of the population here.

Constructed of brick and concrete, the Clara Frye Municipal hospital is virtually fireproof. The building consists of a two-story central structure with nurses' quarters on the second floor. Private rooms, wards and other facilities of the modern hospital are located in the one-story wings. The main entrance to the structure overlooks the Hillsboro River and opens into a corridor with a reception room to the right and offices to the left. Further down from the main entrance is the principal wing corridor. In the rear is the entrance to the kitchen and two dining rooms.

Fifteen private rooms, eight semi-private rooms, two eight-bed wards, two four-bed wards and two psychopathic ards are located in the principal ing. The hospital will accommodate a total of sixty-two beds. Forty beds are now ready for use, and Dr. G. W. P. Johnson, Medical Director, states that the others will be installed as the need arises.

Special facilities in the Municipal hospital include an operating room with new equipment among which is the latest gas machine; a general sterilizing room; doctors' dressing room; laboratories; X-ray, record, drug and ibstetrical rooms and a children's department.

In addition to the main kitchen there are two diet kitchens where food prepared in the main kitchen can be kept hot electrically. The main kitchen is equipped with electrical ranges, a huge electrical refrigerator, an electric dishwasher and other modern appliances. In a basement to the rear of the main kitchen is the boiler room. The hospital is steam heated by gas. A small heating unit is installed for summer use.

Under the auspices of the Tampa Negro Chamber of Commerce, the new hospital was dedicated on November 27.

Mayor R. E. L. Chaney and other city officials joined with WPA officials, medical and civic leaders, in the ceremonies which included unveiling of a portrait of Clara Frye, the colored nurse who established the old Negro hospital and for whom the new building is named.

SAYS RACE OK'S DISCRIMINATION IN AIR CORPS

NEW YORK, Dec. 23.—A vigorous protest against what is considered a totally unwarranted assumption on the part of the United States War Department, namely that the majority of the Negro citizens endorse the principle of segregated army units, was made this week by Walter White, executive secretary of the National Association for the Advancement of Colored People.

White had written to Secretary of War, Harry H. Woodring, asking the opening up of the Army Air Corps to Negro citizens. The War Secretary replied:

"Following a well established principle that the races should not be mixed within organizations, a principle which is indorsed by your own people, it is necessary to set up specific units to which colored personnel may be assigned, and these organizations must have a definite and proper place in the balanced force organization of the Army as a whole."

"Since no colored units of the Air Corps are provided for in the Army of the United States, it is impossible for the War Department to accept colored applicants at Air Corps schools."

Taking issue sharply with this statement in his protest, White advised the Secretary that despite the fact that some Negro citizens may favor "segregated or Jim Crow units in the United States Army," the Association is not only unequivocally opposed to it but "states that the majority of American Negroes are opposed to it."

The Association secretary urged the War Department head to "face this situation, and under your leadership proceed toward the establishment of true democracy in the armed forces of the United States."

Admit Race Lawyer to Ohio Bar, Attorney General's Plea

COLUMBUS, Ohio, Dec. 23. (ANP)—William T. McKnight, assistant attorney general of Ohio last week sent a letter of congratulation to Frank J. Hogan, president American Bar Association, Washington, D. C., for the latter's excellent radio address in which he scored Nazi persecution of Jews. Also enclosed in McKnight's letter was a plea that Negro lawyers be admitted to the white bar association. His letter to Mr. Hogan follows:

Please accept my congratulations upon the forthright statement you made over the radio on Sunday afternoon, December 11, with reference to the persecution of Jews in Europe. Such a stand on behalf of any persecuted minority is worthy of the head of an association composed of men who belong to the great and noble profession of the law.

I only hope that in the near future I can hear over the radio and see in print words equally as strong uttered in behalf of Negro lawyers of America who have repeatedly made application for membership in the American Bar Association and have been refused on the ground of color.

In speaking of Pope Pius, you said, "He knows, and we know too, that one hate breeds another" and further in your remarks you told your listeners they need only look upon Germany to see the truth of his warning that hates are "epidemic," and that for this "practical reason" as well as basic principles they should not set such forces in motion.

There are many of us in America who feel that as long as associations carry as a part of their name the word "American" and practice a systematic exclusion of Negroes from membership, America will not remain free for any of us because it is not free for all of us.

ABLE EDUCATOR AT CHI SCHOOL

CHICAGO, Dec. 23. (Spl.)—Patrons of John G. Shoop School, 112th and Laflin streets, are fortunate indeed in having Matthew L. Fitzgerald as their new principal.

Mr. Fitzgerald is one of the best trained educators in the Chicago school system. In addition to his superior training in the general educational field, including the arts, sciences, and philosophy, he is law-trained, holding a degree from one of the best law schools in the central west.

Prior to his present assignment, Mr. Fitzgerald was assistant principal of the Washburne trade school, 1225 Sedgwick street, where he demonstrated beyond question his ability as an educator as well as his fair mindedness. The citizens of Morgan Park will find a real genuine friend in Dr. Fitzgerald.

LOUIS MAY RULE UNTIL 1940 SAYS SCRIBES

NEW YORK, Dec. 23.—Joe Louis is safe on the heavyweight boxing throne for another year but 1940 may see the rise of the man who will defeat him, in the opinion of sports editors who voted in the United Press annual year-end poll.

There was not one vote of "no" on the question: "Do you think Joe Louis will continue to rule as heavyweight champion during 1939?"

Louis, more than any other person or team except the New York Yankees, dominated the sports poll. The Yankees were voted the outstanding team of 1938.

The names that occurred most frequently, when sports editors were asked to name the man with the best chance to beat Louis, were Lou Nova, Tony Galento and John Henry Lewis. The voters insisted, however, that Louis could handle any one of the three with ease if they went into the ring tomorrow.

"Louis is a standout," wrote John A. Clune, sports editor of the Waterbury, Conn., Democrat. "There is nobody in sight to give him a fight except old man dissipation who has beaten better men than Louis by knockouts."

Pat Moulton, sports editor of the Mobile, Ala., Press, believes Louis will keep the title for three more years to which Jack Ladd of the South Bend Tribune added: "Nobody except Jesse Owens, the sprinter, and Senibiscuit could beat Joe Louis."

XAVIER SNAGS VICTORY OVER AMATEUR 26-25

NEW ORLEANS, La., Dec. 23.—(By Charles L. de Lay) Xavier University of Louisiana officially inaugurated the current cage season in collegiate circles in her home state when high flying Gold Rush quint, Southern intercollegiate Champions, downed the immortal Ambassadors, Southern Amateur Champions, in a hotly contested battle, 26-25. Tonight's victory in the spacious Xavier Gymnasium marked the occasion of the thirty-first consecutive victory for the Rush for the Rush who have never been defeated by an amateur quint in the local gym.

The final issue of the game was in doubt until the final second of the game, as the flashy more experienced Ambassadors passed the ball with such ease that it seemed they might "freeze" the ball for the entire duration of the game. At half time, the Rush, composed of three freshmen: King at forward, Reeves and Hall at guard, and two sophomores: "Blotto" Crozier of Chicago, Ill., at forward and Henry "Trees" Harris of St. Louis, Mo., at center, were leading, 16-15, by virtue of spectacular play on the part of Harris who scored eight points during the initial period notwithstanding the splendid defensive tactics of the Ambassadors. The Ambassadors are well known for their ability to defend their own basket and break up plays.

Seek New Friends Pledge Greatest Service; Welfare Center Grows

ANDERSON, Dec. 23. (Sp. by Ellbee)—One of the outstanding accomplishments of the Negro Welfare association this year, aside from business activities, was the dedication of the Colored Community Center, July 19. This center, modern in appointments and services, has opened a new world for leisure hour enjoyment for the group.

Classes for every age and special interest group have been organized and a full time program is in operation. The attendance for the year was an all-time high, with 75, 250 persons coming into the program; 38,410 as participants in one

or more phases of the activities program and 36,849 as spectators. However, with the coming of the year, new problems arise. The membership drive is now getting under way, with the election of a Board of Directors scheduled for January 3. Much active interest is being directed to the selection of the Directorate.

There are those who believe that the program has been of outstanding growth during the year, and that the present members should be retained; on the other hand there are those, and their number is increasing, who believe that the program has not expanded according to the possibilities, therefore a new directorate is desired at this time. James W. Geater, executive secretary, is adopting a "stay in the middle of the road" attitude, but there is much in the middle, as well as on the edges. We will watch with a great degree of interest for January 3 and the results.

A Junior Directorate is being developed to give the youth an opportunity for a fuller participation and for greater responsibility in shaping the program of the Association. In this effort there has been a finer cooperation between the Association and the younger group, and the

Christmas in The Churches

According to news received by this column this week, all churches are preparing special early morning worship.

Social Activities
Peter J. Blakemore, is visiting his sister in Washington, D. C.

The Sophisticates met with Mrs. Naymon Landers last week, in their weekly bridge contest. Prizes went to Misses Louise Van Meter, Eddie Mae Washington, and Jeannette Montgomery. Plans were made for the Christmas exchange to be held at their pre-Christmas meeting. Also plans were made for their annual New Year's eve party to be held at the home of Mrs. Harold Miller.

Pink Caldwell, Fort Wayne, visited his daughter, Mrs. Fred Collins, who recently underwent an operation in the St. John hospital. She is convalescing at home.

The Seven Keyes surprised all who attended the style and beauty review, last Friday night. They showed what mildity will wear on any occasion. More affairs of this sort should be planned. Much credit is due Mrs. Elizabeth Easley, who planned the program.

Robert Paige, Archie Terry, Mrs. Billie Wycliff and Mrs. Naomi Terry, took in the Good Fellows Christmas Fund party Sunday night in Naptown. They report that the Goodfellows really topped all previous affairs.

Mrs. Willie Evans Gaines, Somerset, Ky., is spending the holidays with her mother and sisters Mrs. Annie R. Horrell in Madison ave.

Hints and Hisses
I wonder what the story of the locked door is. Can it be that a few plush bottomed chairs are of more importance than the chance for children to read and enjoy the books behind that "locked door"?

I wonder who started the idea, maybe, the "Booby prize" should be saved next week for them.

There is word going around that a certain lady went to the Chiropodist, and couldn't get home without the help of a cab. Be nice little feet's. I gotta walk. I gotta walk. Is the latest song bit with that lady.

The "Madam came home a day earlier than was expected and couldn't find the husband, now he is doing his evenings at home wondering where he slipped up.

The letter from the "Boy in the Navy" evidently isn't enough to suffice, because the young lady can be seen any Sunday night at "Swing Heaven" and boy isn't he tall.

If you are still wondering what the kids mean when they say "Lush Hounds" just think of "Groggers" "Gagers" "Boozers" etc. it all amount to the same thing.

Since the recent election at the Elks, the place is booming. You can go around most any time and find the "Stars of Society" and most of the "Amor Corner" moving in. And the "Members only" card hanging on the door don't seem to mean a thing. They modernized the Bar, when they put Charming Sara Miles in charge. And I wonder why they don't modernize the "One Arm Bandits" they were taking and keeping when they were first made. And haven't changed a bit.

LETTER HEADS, ENVELOPES, HAND BILLS, THROW-AWAYS, BUSINESS CARDS, INVITATIONS, ALL PRICED AT NEW LOW PRICES.
